Visa and Work Permit Conditions

This sec� on outlines the key terms and condi� ons under which the work permit is granted. It is cri� cal for both the permit holder and the employer to adhere to these condi� ons to avoid viola� ons that could lead to the cancella� on of the permit or penal� es for the employer.

Work Restrictions

-The work permit is specifically � ed to the employer and role outlined above. Any change in employer or job � tle requires an applica� on for a new work permit or visa.
-The permit holder is only authorized to work in the role described, and any other form of employment requires prior approval from the High Commission Of Canada.

Location Restrictions

1.The permit holder is only permi� ed to work at the specified job loca� on(s) unless prior authoriza� on is obtained for any changes in the worksite.
2.If the employer requires the employee to work at different loca� ons, it is essen� al that the High Commission of Canada is no� fied.

Compliance with Canadian Law

1.The permit holder must comply with all Canadian workplace laws, including workplace safety regula� ons, an� -discrimina� on laws, and any applicable industry standards.
2.The employer must ensure a safe and non-discriminatory work environment that complies with the Fair Work Act.

Renewal and Extension

If the permit holder wishes to extend their work permit or visa, they must apply for an extension prior to the expiry date. Extensions are subject to eligibility criteria, which could include job performance, labor market condi� ons, or compliance with Canadian immigra� on policies.

Termination of Employment and Work Permit Cancellation

This sec﹐on provides detailed instruc﹐ons regarding the termina﹐on of employment and the poten﹐al cancella﹐on of the work permit under various circumstances.

Termination of Employment

1.Voluntary Termina﹐on by the Employee: If the permit holder voluntarily leaves their employment, they must inform the employer and the High Commission Of Canada as soon as possible.
2.Termina﹐on by the Employer: If the employer decides to terminate the permit holder's employment, the employer must comply with Canadian labor laws regarding fair dismissal procedures.

Work Permit Cancellation

1 High Commission Of Canada may cancel the work permit if the permit holder or employer violates any condi﹐ons of the work visa or work permit.
2.Viola﹐ons may include failure to comply with employment condi﹐ons, failure to meet minimum salary requirements, or working in a different role or loca﹐on without prior approval.

Employer's and Employee's Responsibilities

Both the employer and the permit holder have clear responsibili﹐es as outlined by Canadian law. The employer must ensure they comply with employment regula﹐ons, including paying the employee in full and providing appropriate working condi﹐ons. The permit holder, on the other hand, must ensure they follow all terms of the visa, including working in the designated role and not exceeding the hours specified in their work permit.

Acknowledgments and Signatures

By signing this work permit, both the employer and the permit holder acknowledge and agree to the terms and condi﹐ons listed above. These signatures indicate full understanding of the obliga﹐ons outlined in the document.
